Sample No: 1934674 **Job No:** 26-04223
Site name^: SH72977
Location^: Tench Lake
Date taken^: 11/03/2026 **Time taken^:** 0800 **Sampler^:** BT
Date received: 12/03/2026 **Date Tested:** 12/03/2026 **Time Tested:** 1143
Completed: 15/03/2026 **Report date:** 16/03/2026 **Type:** ENVIROWATER
Order No^: SH72977 **Your ref^:** **Deviating:** DEF
Remarks^: **Receipt Temp:** 9.9

Determination	Result	Units	Method
Total coliforms*	1733	MPN/100mls	B2
E. coli*	11	MPN/100mls	B2
Intestinal Enterococci*	2	cfu/100mls	B6

- 1) * Tests marked with an * are not UKAS accredited and are not in the UKAS Accreditation Schedule for this laboratory
- 2) ** Indicates that analysis has been subcontracted to a UKAS testing laboratory
- 3) This report shall not be reproduced except in full without the approval of the laboratory
- 4) Opinions and interpretations expressed herein are outside the scope of our UKAS accreditation
- 5) Time 00:00 indicates no sampling time provided
- 6) Sample integrity is only assured from the time of delivery to the laboratory
- 7) Results expressed as 0/100mls implies none found in the sample examined
- 8) Results shown on this report relate only to the sample identified by the laboratory sample number
- 9) Total bacterial counts reported as >300cfu are estimated counts only
- 10) Date of testing on multi sample reports will be the date of the first sample tested
- 11) Data supplied by the customer that may effect the validity of the result is assumed to be correct and is outside the control of the laboratory. These results apply to the sample as received.
- 12) Headings marked with a ^ indicate those for which the information has been supplied by the client
- 13) An estimate of measurement uncertainty can be provided on request. Application of uncertainty of measurement would provide a range within which the true result lies

Technical Admin Manager

Sample Deviating Due To:

A-No sample date, B-No sample time, C-Incorrect sample container,

D-Temperature of sample, E/F-Time between sampling & receipt/analysis exceeded.

The effect of a deviating sample means that there is a possibility that the result provided may have been compromised.
